

Remodel Improve Renew

The Clear Scan® Shelf Edge Label System...beautify for less and watch your sales and profits jump.

Clear Scan Shelf Edge Label Strips accentuate shelf faces, while providing a high-visibility home for all your vital product and price information.

- Drop plain paper labels right into place protected by a long-life clear front.
- Boost sales and improve shopability with better price presentation.
- Save up to 65% on labels, eliminating costly, hard-to-remove adhesive labels.
- Save up to 75% on labor, no scraping, no shelf cleanup.
- Realize a return on your investment in less than 1 year.
- Brighten your store decor and image with vibrant color backs.
- Highlight specialty departments and store-within-a-store concepts.
- Solve pricing problems in all your cold storage areas by requesting our cold-capable Clear Scan strips.

Clear Scan... Beautify for as little as 79¢ per shelf
