

Now Save Up To 34% from Trion

**Speed set up.
Display more facings.
Re-merchandise with ease.
Boost your sales & profits.**

- Quick Back™ Straight Entry allows easy insertion and removal of full or empty hooks in tight places, under shelves, or within fully loaded displays.
- Your choice of four popular label holder systems.
- Delivers savings up to 65% on labels and up to 75% on labor when converting to plain paper labels. ROI less than 1 year.
- Choice of Plastic or Metal Backplates; fit standard 1/4" pegboard and slatwall.
- Costs far less, provides additional label holder options, yet is completely interchangeable with comparable scan hooks from other manufacturers.
