

Trion® WonderBar®

The System That Sells™

Maximize Your Merchandising Space.

- Increases product facings and rows, lifts sales as much as 20%.
- Maximizes visibility and shopability and billboards package design. Auto-feed trays and hooks assure a continuously well-faced display.
- Simple design allows one-man installation in as little as one-tenth the time of traditional systems. Reset 48 facings in as little as 15 minutes. Replanogramming any product is a snap.
- Easy tray dismount and rear-loading reduce labor, speed restocking, ensure product rotation, and reduce shrinkage.
- Designed for center store, perimeter, general merchandise, soft goods, cooler and freezer use. Tool-free universal mount adapts to all major gondola and upright configurations.
- Choice of 3 bar profiles in 30," 3' and 4' lengths accommodate trays and baskets, bar-mount and plug-in hooks, pouch hooks, auto-feed and security hooks, and horizontal and vertical sign and label holder systems.
- System design allows 1" vertical adjustment and increased usable tray and hook depth for even greater display capacity.
- Six standard tray depths available with width adjustment from 1³/₄" to 17¹/₂". Mini system, oversize product trays, vac pack meat trays, dual lane trays and others address all product needs.
- A store tested solution. Over 6,500,000 trays sold and in use across retail.
